of different Committees for
the implementation of NERS
(National Emergency
Response System) project of
GOI.**

Government of Gujarat
Home Department,
No: IT/102015/66/IT Cell
Sachivalaya, Gandhinagar.
Dated: 15/03/2018

Read:

- An even number GR dated.22/09/2017
- State Nodal Officer(NERS)'s Letter No.F/NERS Project/Apex Committees/96/2018 Dated.22/01/2018

Preamble:

Ministry of Home Affairs, Government of India has envisioned establishment of a National Emergency Response System (NERS), for that TRAI has designated 112 as common National Single Emergency Response Telephone Number for accessing emergency services.(viz. Police, Medical, Fire, Disaster, Etc.) TRAI has published recommendation on single number based Integrated Emergency Response System in April 2015.

National Emergency Response System (NERS) comprising of an integrated Computer Aided Dispatch (CAD) platform under the aegis of Nirbhaya Fund, for supporting Geographical Information System (GIS) Based Call Taking and Global Positioning System (GPS) based Police vehicle dispatch function that will help in improving the response time to various incidents including women related distress calls.

Ministry of Home Affairs, Government of India has recommended vide his letter No.15011/3/2016-NERS-PM dated.17.11.2016 to implement State Emergency Response Centre(SERC) at all States so, that emergency calls on 112 can be handled effectively.

Home Department, Government of Gujarat is very eager to implement 112 based State Emergency Response Centre (SERC) in the State at earliest.

The Objectives of the Nationwide Emergency Response System (NERS) project are:

- Providing single emergency response number across the country for emergency response.
- Providing 24 Hours and 7 Days (24x7) efficient and effective response system which can receive inputs from various voice and data services such as call, SMS, email, internet of Things, panic buttons in public transport etc. to attend to women in distress and other emergencies.
- Identification of location of person in distress connecting through voice or data with the central system.
- GPS enabled system to locate nearest vehicle to the incident site.
- Automated response system for timely dispatch of field resources (e.g. police) to the incident location.
- To acquire ability to analyse trends of emergency calls.
- Integration with existing Police-Dial 100, Health-Dial 108 and other emergency response systems.

To oversee project implementation Ministry of Home Affairs, Government of India, has mandated setting up of the various committees as part of the Governance Structures of the National Emergency Response System (NERS) Project.

As per the direction of Government of India, State Government has formed committees/team for the implimentation of Gujarat State Emergency Response Centre vide even number resolution dated.22/09/2017.

State Nodal Officer(NERS)'s and IGP(P&M) has requested to add Addi. Chief Secretary, Health & Family Welfare Department as a member of State Apex Committee of NERS Project vide Letter No.F/NERS Project/Apex Committees/96/2018 Dated.22/01/2018
